Collective Action Theory and Empirical Evidence Provides the first major test of collective action theory implications with empirical evidence on mobilization Carries out the testing using data from an ASPA award-winning data set Uses theory from three sources to form a triangle for the rebel's POLLUTERS AND COLLECTIVE ACTION: THEORY AND EVIDENCE The seminal theory by Olson (1965) predicts that industries with fewer firms have a greater ability to undertake collective action. They organize cooperative political action more easily because greater concentration lowers the cost of political action.¹ The empirical evidence is inconclusive, however. Collective action theory and empirical evidence (eBook ... Get this from a library! Collective action theory and empirical evidence. [Ronald A Francisco] -- This book comprises empirical tests of the theoretical implications of collective action theory specifically with regard to mobilization. It is based on the author's European Protest and Coercion ... Collective Action Theory and Empirical Evidence | Ronald A ... Provides the first major test of collective action theory implications with empirical evidence on mobilization; Carries out the testing using data from an ASPA award-winning data set; Uses theory from three sources to form a triangle for the rebel's dilemma: action, protest strategy, and the state's responses to repress or deter protest Collective Action Theory and Empirical Evidence | SpringerLink The final chapter surveys the empirical evidence and summarizes the support of collective action theory. Testing collective action theory implications with empirical evidence will appeal to political scientists, sociologists, economists and researchers concerned with mobilization. Collective Lobbying in Politics: Theory and Empirical ... Collective Lobbying in Politics: Theory and Empirical Evidence from Sweden* February 2008 Che-Yuan Liang# Abstract This paper first formulates a model of how the politicians in a local government collectively lobby to raise intergovernmental grants to their local government. The model identifies a relationship between council size and grants ...
