Collective Choice Social Welfare Expanded - [EPUB] [PDF] *Collective Choice Social Welfare Expanded* In welfare economics, a social welfare function is a function that ranks social states (alternative complete descriptions of the society) as less desirable, more desirable, or indifferent for every possible pair of social states. Inputs of the function include any variables considered to affect the economic welfare of a society. In using welfare measures of persons in the society as inputs ... New Frontier - Wikipedia Federal Register :: Information and Communication ... Challenges for the degrowth transition: The debate about ... 1. Introduction. There are strong empirical and ethical arguments for degrowth — understood as a voluntary, democratically negotiated, equitable downscaling of societies' physical throughput until it reaches a sustainable steady-state (Alexander, 2012; Latouche, 2010; Schneider et al., 2010). From an environmental perspective, the main argument for degrowth is that thresholds for specific ... infed.org | Social capital Social capital. The notion of social capital is a useful way of entering into debates about civil society – and is central to the arguments of Robert Putnam and others who want to 'reclaim public life'.
