Public school systems existed only in New England. In the 18th Century, the Puritan emphasis on literacy largely influenced the significantly higher literacy rate (70 percent of men) of the Thirteen Colonies, mainly New England, in comparison to Britain (40 percent of men) and France (29 percent of men). Critical accounting research and neoliberalism - ScienceDirect This article reflects on the way critical accounting research has addressed the question of liberalism. I show that the rise of this theme has been accompanied by a broadening of the issues addressed, but fairly little enlargement of the geographical spaces concerned.
