In 1851, Prince Albert built his vision for a cultural area composed of the Victoria and Albert Museum, Natural History Museum, Royal Albert Hall, Royal Colleges, and the Imperial Institute. In 1907, Imperial College was established by Royal Charter ... List of presidents of the United States by education ... Most presidents of the United States received a college education, even most of the earliest. Of the first seven presidents, five were college graduates. College degrees have set the presidents apart from the general population, and presidents have held such a degree even when this was quite rare indeed, as well as unnecessary, for practicing most occupations, including law.
